

Technology Donation Receipt

Computers 2 Kids (C2K) and The Bridging Tech Charitable Fund thanks you for considering us when donating your technology. Your donated electronics will receive a second chance to help a child affected by homelessness. C2K understands the importance of security and we wipe each hard drive with software that conforms to *US Department of Justice cleaning and sanitizing standard DoD 5220.22-M*. This software ensures that all data has been erased. Please retain this form as receipt of your donation. **Please include a copy of this receipt in your donation shipment.**
