We, The Bridging Tech Charitable Fund, are a new nonprofit committed to giving technology to disadvantaged students in San Francisco and New York homeless shelters.

There are millions of kids who do not have access to a device for online learning. Help us bridge this gap by making a donation.

https://charity.gofundme.com/the-bridging-tech-charitable-fund
If you can donate an online-learning device, please visit BridgingTech.org/Donate.html and fill out the "Donate a Device" section.

If your company has extra devices for learning, we would love to meet you over video chat to discuss this initiative. Please email us at contact@bridgingtech.org.

Otherwise, please donate at this link: https://charity.gofundme.com/the-bridging-tech-charitable-fund

We appreciate your support!
